The Niche.L is a revolutionary low-level step light plaster that seamlessly combines form and function to elevate your space. Immerse your space in a gentle glow with our low-level plaster-in light fixtures that redefine ambient lighting. Niche boasts a minimalist and contemporary design that effortlessly integrates into any architectural style. Its sleek and unobtrusive profile adds a touch of sophistication to your stairs, hallways, and interior spaces.

The 2700K colour temperature allows a warm glow to gently wash against the lower levels.
