The Peep is a 3-step recessed trimless downlight that redefines ambient illumination with its exquisite design, versatile features, and unparalleled performance. You can customize the peep to your own specifications, choosing from a matt white or matt black powder finish, or from three beam angle options: a sharp 24°, a generous 36° or a wider 60°. With a warm 2700k glow, you have ample options on how to highlight any interior space or object.
