The Spot.Z provides the ability to pinpoint any surface or target to create the most dramatic designs. The fully zoomable lens provides a beam from 10° to 40°, and with our unique colour finish it's virtually invisible in any environment.

This device can be used both indoors and outdoors, and it comes with a ground spike for external positioning. Additionally, it has a resin-filled cable entry and gland that provides ultimate protection against water ingress. To ensure that it can be smoothly dimmed, our range of PowerBank drivers is available.

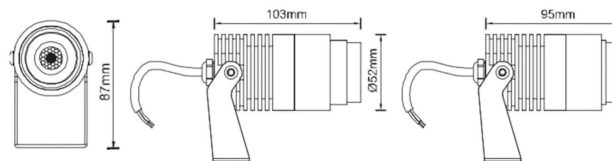

Product Categories: Exterior / Spotlights

Material	Anodised Aluminium	Beam Angle	10 - 40°
Lumen Output	200Lm - 400Lm	Cut Out	-
LED	CREE 1 pc XPE LED	Fire & Acoustic Rated	-
Lifespan	>50,000 hours	IP Rating	67
CRI	>90	Working Temperature	-
Input Voltage	DC	Binning	-
Power	6.3W 9V 700mA	Colour Temperature	3000K
Power Factor	>0.98	Standard Finish	Space Grey
